

God Moved Me

How many times in your life have you wondered if there is a God?. . . why doesnt God answer my prayers?. . . if you have any real purpose in life?. . . I would believe if only...If this sounds like you then God Moved Me is a book for you. It is the story of a man guided by a loving, caring God, who still struggled with faith issues even after he had been given so many chances. It is the story of a man who drifted in life until he finally accepted Gods anchor of faith. A loving God moved this man to realize that you are never free until you learn to serve. It is the story of a man who was so in love with himself that he forgot how to love others and God. It is the story of a man who lost everything, and yet with Gods help, gained everything and so much more.They say every journey starts with a single step, but this mans journey started with a great big push. It is a story that will make you smile, laugh, cry, and will hopefully ultimately lead you to believe that God does indeed care about each and every one of us. It is a story that proves what Jesus said about having the faith of a mustard seed. You see will read that God can absolutely work wonders with the simplest of tools. Truly, if this man can do it then so can you!
