

## House Guests-Guests Ghosts and Family

The Turner house was built in 1844. Surviving the Civil War, the house is now in the hands of another new owner. With thoughts of making a Bed and Breakfast, Marilyn finds she has more than history with the house. She also has guests. The cemetery in the back of the house is more than a curiosity. As the past comes to the future, the plans soon change. Ghosts wander about and she soon learns she can not go forward and they, did not really want to go back. Now living in a museum, Marilyn finds herself living with more than antiques and hoop dresses. She has a family and they, have her. ALL Three House Guests in one volume!!
