

Team Spirit

Willie Timmons could have been the most talented basketball player that small-town Herrington High had ever seen. But forces beyond his control prevent-ed him from living his dream. Half a century later, Kevin Graves is the new kid in that same small town, and he is having a tough time finding just where he fits in as a member of the high schools varsity basketball team. To make matters worse, he begins seeing things on the court that no one else seems to notice. Coach MacDonald tries his best to foster some team spirit among his players. Little do they know that they are about to get a healthy dose of team spirit - but not exactly the kind Coach has in mind.

Written primarily for teens, TEAM SPIRIT is a novel with layers of meaning; the story appeals to adults as well as teens.
